Instructions for Completing Escrip (Safeway) Enrollment

This is a multi-step process:

1. Point your browser to www.escrip.com
2. Click on 'about the program' (under the Escrip logo).
3. Click on 'Sign up Now!" midway down.
4. Search for our group name -- Queen of Peace Early Learning Center
5. You may support two other groups. When ready, click on 'next.'
6. Make sure that you fill in personal information marked in red. Click "next."
7. Select "Safeway" from pull-sown menu and type in your card number (it's stamped on front and back.)
8. IF you want to, you can register your credit card(s) and we will get credit for them as well. Again, this costs you nothing but it's not necessary.
9. You can enter your Macy's or Office Max cards if you care to.
10. Review the summary of your entries. In case of error, hit "edit" and make corrections.
11. That's it!! The rest is optional if you want to be able to monitor your account.
