

## Notes from 1915...

I had a great time at the lock-in and have finally recovered my sleep. I want to thank the participants for their engaging conversation and courage in sharing their stories with the group. I hope our time together left them with some things to reflect on. And thank you to our volunteers that made the festivities fun and fruitful.

Hope to see you at the next one!

Peace,  
Becca

## HAPPENINGS:

### March for Life, Friday, January 24, Washington, DC
